# Install DataDump Application

Content

Installation from CD-ROM Online installation

#### Starting up the installation

#### Installation from the CD-Rom

Insert the CD-Rom delivered with your equipment in your reader. After choosing the language, from the main page, select "*DataDump Software*'

then "Install Software".

To continue the installation, please turn to the chapter "Starting up the installation".

### **Online Installation**

Visit SDT ftp site at the address: <u>ftp://ftp.sdt.be/pub/Software/SDT270DataDump/</u>. Select the directory "*Latest version*" and double click on the file "*SetupDataDump.msi*".

## Starting up the installation

You should now see the following screen:

Click "Next". Then, the following screen appears:

| 🔞 SDT 270 Data Dump  |                     |  |
|--|---------------------|--|
| Select Installation Folder   |                     |  |
| The installer will install SDT270 Data Dump to the following folder.   |                     |  |
| To install in this folder, click "Next". To install to a different folder, enter it below or click "Browse". |                     |  |
| Eolder:<br>C:\Program Files\SDT\SDT270 Data Dump\  | Browse<br>Disk Cost |  |
| Install SDT270 Data Dump for yourself, or for anyone who uses this comp<br>Everyone                          |                     |  |
| ⊙ Just me  |                     |  |
| Cancel < Back  | Next >              |  |
